POLICY

Attendance is very important. Parents are asked to notify one of the teachers, of absences from class or early dismissal by phone or written notice. When a student must be absent, it is our expectation that make-up work will be completed, if necessary.

To be eligible for Confirmation, students must regularly attend Religious Education classes.

The inclement weather policy will be as follows: Religious education classes will be cancelled if L-C, Algoma or Southern Door schools were cancelled that day, or called off early. If school has a delayed start time, we will still have religious education classes that evening. If you are unsure, please contact one of the teachers, or Chris Vincent at 536-0467, or the parish office at 837-2852.

As the primary faith former in your student's life, please remind them that our classes are held in God's house and only a positive and respectful attitude will be allowed. Parents will be notified of serious behavioral issues.

Regular participation in the life of the parish is expected of all Catholic students in such activities as Mass, Sacraments, service, etc. Attendance is the responsibility of the parents.

To ease congestion, please park your vehicle in the parking lot on the north side of County Road S.

Thank you and we look forward to an exciting year.
