

Father Edward's Notebook

Dear Parishioners,

In the past few weeks we have completed several projects for the parish before winter arrives. In Lincoln we tuck pointed a few bell tower columns to ensure the stability of the structure and for aesthetics. Some bricks were blown out after the lightning strike last year. Tuck pointing is the replacing of brick and mortar.

In Rosiere, we added burial plots in the cemetery by cutting down several trees. Additional ground was brought in and seed planted. Thanks to Gary Maccoux who oversaw this project and the many people who volunteered their time or equipment. Also in Rosiere, the roof and siding on the garage is currently being replaced.

Thanks to your generosity through your financial commitment, we are able to complete these projects without the burden of addition appeals and fund raising.

Just a reminder, I will be away on retreat from October 11 through October 18th. I will check emails once a day in order to catch anything important which may come in through our answering service and forward it to the appropriate people. Please pray for me, and know that I will remember all of you in prayer at the Grotto of Massabielle.

Harvest Blessings,

Fr. Edward

P.S. Pope Francis has encouraged praying an ancient prayer called the *Sub Tuum Praesidium*

We fly to Thy protection, O Holy Mother of God. Do not despise our petitions in our necessities, but deliver us always from all dangers, O Glorious and Blessed Virgin. Amen.

P.S. S. Please remove all cemetery arrangements by October 15. Thank you.
