

Another year of favor comes to us along our way! As we journey together let's carry within us burning the gift of faith, hope and love that God has planted in our souls when we were baptized. May our encounter with Jesus along this journey bring smiles to our faces that faith may be joyfully shared, constantly give us hope in times of despair and move our hearts touching the lives of others.

Our parish, though small but part of the whole diocese, contributes a lot to the diocesan mission and ministries. It is for this reason why I am bringing to your consciousness that we are again being reminded of the Bishop's Appeal which will kick-off on the first week of February 2024 whose theme focuses on: Living the Eucharist, sharing the gifts. Touched with the same spirit of faith, hope and love, all our actions may become more meaningful and fruitful when they are all centered in the Eucharist.

Holy Eucharist by its very nature is sharing. Each member shares with the one bread and the same cup of blessing. So it's through the Eucharist that faith is genuinely shared, hope is strengthened and love is nourished. If we have the same faith, hope, and love we also have the same spirit of joy in sharing our time, talents and treasures.

I learned that you are so generous enough in supporting our diocese through this Bishop's Appeal. Your generous contributions really touched many lives especially those in need. From your pledges, you already helped not only our own parish but also other parishes and catholic schools and individuals seeking counseling and support from the catholic charities in our diocese.

Your help extends even to the parish life and family mission team whose aim is to provide training for parish leaders. You also give support in training and forming deacons and priests, as well as provide immediate pastoral care to our church members. Your contributions play a vital role in building vibrant parishes and spreading the Gospel throughout northeastern Wisconsin.

This is my first time, because I'm a stranger to your parish, to encourage you achieve our goal for the Bishop's Appeal. I understand that in the previous years there were times that we did not achieve our goal maybe because of an inevitable reason that effected our financial status and resources, but still I'm again reminding you "that no one who is so rich that has nothing in need, and no one who is so poor that has nothing to give." Always remember, "whoever sows sparingly will also reap sparingly, and whoever sows bountifully will also reap bountifully. Each one must give as he has decided in his heart, not reluctantly or under compulsion, for God loves a cheerful giver. (2 Cor 9:6-7). Your generosity will have a lasting impact on our community and contribute to the growth of our parishes in the Diocese.

Bishop's Appeal is both parochial and diocesan collective effort and mission. Whatever goal we have achieved might also be our common success.

I personally thank you for generosity and for your constant support to the Bishop's Appeal. May the blessing of our Almighty God, be with you always!

I remain with my prayers,
Fr. Antonio Rex M. Palaya
