

Shepherd's Thoughts

God is good, all the time! All the time, God is good!

In this third Sunday of Easter, we continue to meet the Risen Christ. He sets the hearts of his disciples at peace and opens their minds to understand the message of the Scriptures concerning his destiny of pain and glory.

The Risen Lord continues to touch us and our lives as he did to his disciples after the resurrection. But the invitation to touch him and see his wounds and for us to recognize fully who he is for us came from him first. We need to touch base with the real and the true. And it is only in the light of the truth of the Resurrection that we are able to make sense of the violent passion and death of Christ, along with so many realities that we cannot accept, let alone understand. It is only in the light of his resurrection and the eternal life he earned for us that we can come to accept the trials of life with faith and patience.

Only in the Risen Christ can we make sense and oppose the many forms of death that threaten our existence. In this Eucharist, let us pray with all earnestness: "Lord, we touch you today".

Catholic Order of Foresters matching funds

Porkie Pancake Breakfast: Mark your calendars for Sunday, May 5 at Lincoln church basement.

Scrip News: With prices of everything increasing, I have been adding cards of higher amounts. New

additions \$25 McDonalds, \$25 Culvers, and \$10 Dairy Queen. I challenge our parishioners to purchase a gift card once a month for something you will be buying anyway like gas, groceries, or night eating out. Gift cards are not just for gift giving. By the end of this month, we should have over \$5,000 earned this financial year with a limited number of parishioners that purchase regularly. With more people buying at least once a month - I think we could easily double that next year.
