Drop Off Procedure for Kindergarten - 5th Grade

Option 1 - park in the parking lot on the North side of County S and cross the road WITH your child, walking them to the front doors of the church.

Option 2 - follow the drop off diagram below, pulling into the expanded parking lot on the South side of County S, dropping your child, and exiting back onto the road.

Pick Up Procedure for Kindergarten - 5th Grade

In an effort to keep students safe, each classroom will remain in their assigned pew in the back of church. Parents or guardians will need to come in to church and check their student out with the teacher.

Expectations

Parents are the first and greatest faith formers in a child's life. Because the time your child spends at religious education is minimal, we are asking you, the parents, to work with your child on their prayers and growing in their faith. We welcome any parent who wishes to be more involved in their child's religious education to volunteer their time as a substitute or classroom helper!

Restroom Breaks : In past years, we've had disruptions with restroom usage. While no child will ever be denied access to the restroom, please remind your child to utilize the restroom before and after class to maximize learning time.

Water Bottles : If you are sending your child with a drink, please only send water unless there is a special celebration that dictates otherwise.

Incident Weather Policy

If the L-C School District cancels school for the weather, RE classes are also canceled. We will communicate closures via email (stpetersthubert.re@gmail.com) and the Heja app (team code: ZA891770).
